Sonestaa Meadows - Bringing back the lost magic of childhood to children

Due to fast paced life and rapidly shrinking open spaces children today predominantly spend their leisure time on computer games, mobile phones or chatting on the internet, a very unhealthy lifestyle that could lead to several health issues.

Towards addressing this, we provide children with adequate recreation facilities - dedicated play areas with attractive accessories and courts for sports like Skating rink, badminton and basketball. This means, your children can look forward to an excellent peer group to interact
